In the Spring of 2019, Trinity plans to begin work on a “Pathway of Remembrance” featuring the commemorative bricks we are offering to members and friends. The walkway will commence at the Memorial Garden and move toward the Church entrance. Both sides of the concrete walk will be lined with these special bricks, creating our “Pathway of Remembrance” and making it an integral part of the Church. This is to be an ongoing project and bricks can be added in the future as demand warrants.

Whatever or whoever is near and dear to your heart or whatever event, occasion or date you would like to preserve in stone, will have a permanent home at Trinity being shared in an honored setting.

It could be a birth, a death, a marriage, a baptism, or merely a particularly happy day or event in your life. It could commemorate yourself, your family, a friend from the past, a lifelong association, anything that has a special meaning for you. You can make part of Trinity’s Pathway whatever was or is a part of your life and enjoy a quick remembrance each time you’re at Trinity and a lasting reminder when you are no longer here.
